

INFORMATION CONCERNING YOUR MRI

Your healthcare Provider has referred you for an MRI to further diagnose your condition. To help you understand the process, we have listed below important information regarding the MRI. On the reverse side, you will find a list of area radiology offices that perform MRIs.

- MRI exams must be scheduled at a Radiology/MRI facility;
- Your insurance company may only contract with select radiology facilities;
- Certain insurance companies require that we obtain pre-authorization for your MRI. Some of the major carriers requiring pre-authorization are: AARP, Aetna, Alliance, Anthem BCBS, Blue Cross/Blue Shield out of state plans, Cigna, Coventry, GEHA, Great West, Mailhandlers, MAMSI life & health, M.D.I.P.A., One Health, Optimum Choice, United Healthcare and Workers Compensation. **Plans not requiring pre-authorization as of 9/2017 include Medicare, Johns Hopkins EHP, NCPPO, Tricare Standard and Tricare for Life, and Tricare Prime.**
- If pre-authorization is required, our AAOS referral team will obtain the MRI authorization. We will call you in 3-5 business days with your insurance plan's decision.
- Once you have received the authorization number from our office, you may then call to schedule your MRI.
- Preauthorization from your insurance company is usually obtained for a specific radiology facility;
- We can see the images and reports online from the following diagnostic imaging facilities: Anne Arundel Diagnostics, Chesapeake Medical Imaging, Advanced Radiology, American Radiology and Community Radiology. Please obtain a disc or the films if you go to any other facility and bring with you to your follow up visit.
 - ✓ Call our office after you have had your MRI done to schedule your follow up appointment. Bring any discs or films with you to that visit.

If you have further questions or concerns, please call the office at 410.573.2530.
